

WHO I AM WHO WE ARE. SIMPLYSUE, SIMPLY YOU

Hi! I am Sharee, organizer of the professional powerhouse, SimplySue Corporation, as featured in NYC Journal, "Top 30 Inspiring Women of 2021". SSC will motivate youth in disadvantaged areas by leveling the educational playing field. My focus is teaching children and young adults these necessary life skills in order to increase workforce productivity all while honoring my late grandmother's legacy. I will continue to promote an era of self-starting entrepreneurs and produce a generation of forward and independent thinkers through critical thinking and self-expression.

Being adopted into a family, with a matriarchal figure as amazing as Mattie Sue, is what drives me to continue to cultivate the youth in areas of financial literacy, salesmanship, leadership, and entrepreneurship through innovation and creativity. Join me in my transition to a nation embracing SimplySue. Promoting a culture of Honesty, Openness, Perseverance & Excellence through change!
